Dear fellow called ones,

I greet you in the name of the One who has called us to be set apart from sin and this world in order to serve Him alone, our precious Saviour and Lord, Jesus Christ! ***Through whom we have received grace and apostleship to bring about the obedience of faith among all the Gentiles for His name's sake, among whom you also are the called of Jesus Christ; to all who are beloved of God in Rome, called as saints: Grace to you and peace from God our Father and the Lord Jesus Christ. Romans 1:5-7***

My family and I would like to praise the Lord for His mercies to us as we traveled to the USA to begin our one year assignment here in the USA. We have enjoyed short travels to visit with some of our family, friends, and supporters whom we have not seen for a long time. (Hence the delay in this letter!) We are now settling into our "cottage in the woods" in North Carolina and getting ready for the children to start school at Foundations Academy in a few days. We thank the Lord for the many brothers and sisters in Christ who have assisted us with the many things we have needed. We moved into an empty house here in Coats, North Carolina, a week ago. Our address is 622 Bailey Road, Coats, NC 27521. Thanks to the generosity of the saints here, we have the household items we need to live including what they called a "food pounding" which has provided us with many non-perishable food items. God and His people are so good! Thank you for your prayers for us as we begin this Divine appointment for our family. We want to make the most of the opportunities for spiritual and physical revival. But we look forward to returning home to Carriacou when our time here is complete.

Thank you for your prayers and support for the continuing work of the Harbour Light ministries. Praise the Lord that the equipment has been running well in answer to your prayers. We did have a bit of trouble with the generator yesterday which kept us off the AM for a short while, but thankfully Brother Richard was able to take care of the problem. Sister Francina, Sister Lily, Brother Leroy & Mama C are doing a good job. I thank the Lord for their dedication and faithfulness. Please pray for special grace and strength for them as they carry on the work in our absence. I am still very much involved in directing the ministry and the programming via the internet, telephone, and remote studio! We are making good use of the live internet stream using an internet radio provided by one of our supporters, so our home sounds the same as if we were in Carriacou!

Pray for our teachers, Sister Jane, Sister Roxanne, & Sister Brittney, as they travel to Grenada next week to attend a Christian teacher training workshop being conducted by Christian Light Publications. Following that, they will begin classroom preparations for school to start next month. Pray for God's provision for the school.

Since we have lived so long in Carriacou (27 years), we feel like we have come to a foreign country! It reminds me that no matter where we go on this earth as Christians - we are still in a foreign country. We need to maintain a pilgrim mind and heart in regard to this world and the things in this world. Whether a person is a Christian or not, it is not possible to be happy with this world! Yet it is very evident that most people, even professing Christians, are trying to do just that. They want the best of both worlds. They certainly don't want to do without God, but they don't want to be separated from the world either. The end of that "living" is death. Our only true happiness and joy in this world is our hope of being with Christ in Heaven. That's why we've got to keep on faithfully...

Spreading the WORD,
