Dear Praying Friends,

Greetings in the Name of our risen and soon-coming Saviour and Lord, Jesus Christ! ***...We have not ceased to pray for you and to ask that you may be filled with the knowledge of His will in all spiritual wisdom and understanding, so that you will walk in a manner worthy of the Lord, to please Him in all respects, bearing fruit in every good work and increasing in the knowledge of God; strengthened with all power, according to His glorious might, for the attaining of all steadfastness and patience; joyously giving thanks to the Father, who has qualified us to share in the inheritance of the saints in Light. Colossians 1:9-12***

Chickungunya flu has been making the rounds here in the Caribbean and Carriacou has not been exempted. Several of the staff have had it and most of our children have had it as well with some people experiencing multiple occurrences! It is still widespread in many of these islands. Pray that it will “come to pass” soon!

Richard, Francina and “Mama C” took their vacation time during the month of August. Pray for the Louis. I am very saddened to tell you that I have had to let Linus go from the staff of the Harbour Light. We will miss his help and want to thank him for the 14 years he laboured here at the Harbour Light. Pray that God will help Linus, Jennifer & family through this transition time and show Linus what He wants him to do.

HLCA has started well, praise the Lord! There are 32 students enrolled this year with 5 teachers and one house keeper. Lord willing, and pending government approval of building plans, we will be constructing a school building for Harbour Light Christian Academy during this academic school year. We hope to break ground this fall and begin work on the foundation and floor pad. The Camfields are assembling a team to erect the steel building and begin interior finish work starting in late January, 2015. If you are interested in helping with this project, please let us know or call Wayne Camfield directly at 1(864)610-2791 for details. We will need a lot of help in order to meet our goal of getting the building ready for the 2015/16 school year! Pray for God's perfect will in this project.

We have been encouraged by the response of two individuals in recent days whom the Lord is quickening to their need of “a change” in their lives. One is a 19-year-old young man from St. Vincent and the other is a middle-aged single mom with 4 children from Grenada. They both say they “grew up in church” but chose to follow the world and their lusts instead of God and now bear the scars of going their own way. They have both recently found the Harbour Light and say that the Lord has been using the programming to speak to them about their need of salvation through Christ Jesus. I am sure that there are many more listening who are in the same condition. Pray that they will not harden their hearts and that they will repent of their sin and trust the Lord Jesus Christ as their only hope of Salvation. Pray for thousands of professing Christians who are tuned in daily to grow up to maturity in Christ and to walk on with the Lord in these last days. Many have expressed glory to God for this very thing!

God bless you for your prayers for this work and for your sacrificial giving to keep the Light shining out over these Windward Islands. We greatly need and appreciate your faithful intercession. God is using His Word to accomplish great things in the hearts of many listeners. Continue to pray for daily provision as well as additional funds for solar power to give the little generator a boost during the heat of the day. Thank you very much for your fellowship in this work!. Pray for the Lord of the Harvest to send forth labourers into His harvest fields to help in...

Spreading the WORD,  
  
Randy Cornelius & Staff
