Dear Citizens of Heaven,

Greetings to you who are chosen according to the foreknowledge of God the Father by being set apart by the Spirit for obedience and for sprinkling with Jesus Christ's blood. May grace and peace be yours in full measure! (taken from 1 Peter 1:2) We do **...not trust in ourselves, but in God who raises the dead; who delivered us from so great a peril of death, and will deliver us, He on whom we have set our hope. And He will yet deliver us, you also joining in helping us through your prayers, so that thanks may be given by many persons on our behalf for the favor bestowed on us through the prayers of many.** 2 Corinthians 1:9-11

The Lord gave us a wonderful day for graduations and the end of school programme at Harbour Light Christian Academy. The children did a good job, and we praise the Lord for the progress they all made this past year. Please pray for Sister Jane as she leads the school ministry and teaches along with Sister Roxanne and Sister Brittney. Please pray for God's wisdom and blessing as they carry on leading these little ones to Christ.

My dear mother, Arlene Cornelius (Mama C), is scheduled to return to Carriacou next Tuesday, 18<sup>th</sup> of July. Please pray for safety and a good trip all the way home. Pray also for strength as she settles back into the routine of home and work at the Harbour Light. The week following my mother's return, on the 24<sup>th</sup>, my family will depart for our furlough. Sister Jane Jaffier will be staying with my mother while we are gone. Continue to pray for God's provision of travel expenses, housing, vehicle and the many other needs we will have during our furlough. Our plans have changed in regard to where we will be living. The Lord has directed us to settle in Dunn, NC. This will allow us to be near our three children who are attending Foundations Bible College. We look forward to a wonderful time of being with seven of our ten children for these appointed months. Most of all, pray that it will be a blessed time of drawing closer to the Lord and being sharpened and energized by His Spirit for renewed vigor in this place of our calling and service for Him.

Brother Leroy is on the tower as I write, giving it a second coat of paint. Pray for safety as he finishes up this week or next. Brother Richard has been busy with various out-door maintenance projects. Most notably is a new concrete stand for the diesel "run" tank. The metal legs were badly rusted. Francina continues to be busy keeping up with her part of processing donations, following up on Bible students, and producing Joyful Woman broadcasts. Their second daughter Lily finished secondary school and has joined the HLW staff! She will be helping in the office and on the air as needed. Maybe you have already heard her making station breaks! Pray with her as she looks to the Lord to open the door for her to go to Bible school next year.

We are living in desperate days. People are facing many desperate situations at home, with family, at work, and at church. The youth are desperately grasping for control of their own lives. The devil is desperately working to wear out the saints because he knows his time is short. The Lord is using His Word through the programming to steady His remnant who are desperately wanting to know what God wants them to do. We are very grateful for your faithful support and desperately need God's presence and your prayers to faithfully go on...
