7 November 2017

Dear Praying Friends,

I greet you in the worthy Name of our risen and soon-coming Saviour, Jesus Christ the Lord! ***Jesus answered and said to him, "If anyone loves Me, he will keep My word; and My Father will love him, and We will come to him and make Our abode with him. "He who does not love Me does not keep My words; and the word which you hear is not Mine, but the Father's Who sent Me." John 14:23-24***

The Fall Radio Bible Conference is just around the corner! Enclosed with this letter you should receive a copy of both the Fall Radio Bible Conference schedule and the Christmas Week schedule for this year. The Fall Radio Bible Conference will begin on Sunday, November 26th and will continue through the 3rd of December. If you have a heart of love for the Lord Jesus Christ, your soul will thrill in these messages! Christmas programming begins on December 1st as usual!

Please be in prayer for wisdom to fix our FM antenna in Carriacou. We have had some trouble with it in the past, but now it has failed completely. We are currently on the air but in low power and with a temporary antenna. Praise the Lord, Richard and Leroy were able to get that hooked up and working. Pray also for wisdom to fix a problem with one of our generators. It is a relatively small problem, but it prevents us from using that unit. I am planning, in the will of the Lord, to be in Carriacou for two weeks in late November through early December to help take care of those and other needs. Please pray for safe travels and successful repairs.

Thank you for praying for the staff as they continue the work in our absence. Pray for our teachers, Jane, Roxanne and Brittney, as they minister to their students. Mama C continues to do well. She has been extra busy, but God has given strength and health to work 3 or 4 days each week for several hours each day. Leroy is doing well and we thank the Lord for his good help! We praise the Lord for Richard and Francina who are carrying the heaviest load while I've been gone. Richard continues to deal with some health issues related to his diabetes, so pray for wisdom as the doctors help him. Since Lily Little (Richard & Francina's second daughter) graduated from secondary school 5 months ago, she has been faithfully serving the Lord at the Harbour Light alongside her parents in various capacities. Her desire before the Lord has been to go to Bible School to prepare for whatever the Lord's will is for her future. After many months of prayer and seeking the Lord's will as to where she should go, she believes the Lord has led her to go to Foundations Bible College in Dunn, NC this January. Pray for her as she works through the application process and secures her student visa. Pray for the Lord's quick provision so she will be able to meet the US immigration policy for foreign student visas. God is able to work it out if it is His will and this is the right time. Thank you for praying!

The key to a successful Christian life is love for God demonstrated by a burning desire for careful and complete obedience to all His words. This year is quickly coming to an end. How much time do we have left to love our dear Lord Jesus here on this earth? Don't you want an abundant entrance into Heaven? Do you really want to get there by the "skin of your teeth"? May the Lord help us to end this year well and then go on, day by day loving Him with all our heart!

Praise the Lord for His goodness and mercy throughout this our 26th year in keeping us and giving us the joy and privilege of broadcasting His precious Word so that thousands of individuals have been able to hear the preached word of Christ! Thank you very much for your faithful, prayerful, generous giving that God has used to keep the radio signals beaming out over the waves and streaming around the world...

Spreading the WORD,
Randy Cornelius & Staff
