Dear Citizens of Heaven,

Christian greetings to you in the precious Name of our merciful Lord, Jesus Christ! **As He spoke these things, many came to believe in Him. So Jesus was saying to those Jews who had believed Him, "If you continue in My Word, then you are truly disciples of Mine; and you will know the truth, and the truth will make you free. John 8:30-32**

Thank you very much for your continued prayers on our behalf for traveling mercies. The Lord has been answering those prayers and has given us over 13000 miles of safety since we started traveling two months ago! We have seen numerous accidents along the way and thank the Lord for protecting us. A big "Thank you!" to those who have taken care of us. We have enjoyed and have been blessed by those who have had us into their homes or who have provided housing and meals. We have a few more "stops" to make before our desired return to Carriacou by the middle of next month. Please continue to pray for good travels and for God's provision for our return home.

We received word while we were traveling a few days ago that our long-time broadcaster and friend, Brother Ron Hood, was called home to Heaven. He had been ill for some time. Please pray for the family as they lay his earthly body to rest today. We are presently in Greenville, SC and will be attending the funeral service.

At the Harbour Light, we are having trouble with our AM Transmitter. All of a sudden, it will not run at full power. Brother Richard and I have been trying to figure out what happened but so far have not been able to diagnose the trouble. Please pray that the Lord will show us what's wrong so we can get it fixed soon. We have tried several things with no success so far.

As I was reading my Bible this morning, the verses quoted above seemed to jump out at me. Jesus is saying very clearly that "believing" in Him is not enough. That belief must continue and it must continue in (literally in keeping with or according to) His Word in order to be a disciple of His. Earlier, John recounts that many "believed" in His Name when they observed His signs, but Jesus was not "believing" (same word) in them because He knew their hearts. (John 2:23-25) We are living in days of apostasy where it is acceptable, even fashionable to wear the label "Christian" and yet live - not just in disobedience, but in defiance of God's Word! James the apostle echoes this truth when he declares that we as Christians need to prove ourselves doers of the Word and not merely self deceived hearers. May God deliver us from the delusion that is promising "believers" Heaven, but leading them to Hell. Only the Truth of the Word of God received and acted on will set them free!

Spreading the WORD,
